

# San Jacinto Community College Inclusive Access Opt-Out Affidavit

I hereby elect to OPT-OUT of the Inclusive Access (otherwise referred to as "First Day") course materials provided by the college selected publishers at a discounted rate for students at San Jacinto College on the first day of class. In completing this affidavit, I certify that I will formally OPT-OUT (including any steps required) through Blackboard on the first day of class to prevent access to any and all course materials and the incurrence of corresponding requisite charges.

If I for any reason, fail to formally OPT-OUT through Blackboard, I understand that I will have access to course materials and will be appropriately charged for the First Day course materials irrespective of whether used or not. Therefore, I understand I will and must formally OPT-OUT on the first day of class electing to refuse acceptance and access to the materials.

I promise that I will be bound by the terms of this affidavit and the election I have made.
